

CURT'S CORNER

February/March greetings!

I have some good news to share regarding significant events that took place recently at our Home. The week of February 8th we welcomed several Ohio Department of Health surveyors as they began their annual 4 day inspection. This was followed by our Annual Business meeting on February 16th where reports were made related to the past year's performance. Following are some highlights:

With thankful hearts we report that our 3rd annual survey in a row ended with zero deficiencies! During their annual review the ODH surveyors were very complimentary and encouraging towards us as we strive to provide quality care and services in a Christian atmosphere to those we are called to serve (our mission). Regulatory surveys greatly impact healthcare provider star ratings as reported on Medicare.gov, so these excellent results will help us maintain the highest rating possible at 5 stars.

The Lord provided many blessings in 2015. We were very thankful that generous donations, high occupancy rates, dedicated staff and volunteers, and many other contributing factors helped make it possible to end the year on a positive financial note. We received final occupancy approval for our Chapel & Therapy Expansion Project in September and now our residents and community are reaping rewards from years of planning and labor. In the Nursing Home we welcomed 77 new residents, discharged 60 residents, and had 20 residents pass away. Our Assisted Living/Rest Home and Apartments ended the year full, with a waiting list.

It was special to be reminded at our annual meeting of the dedication service held at Apostolic Christian Home 40 years ago. Following is an excerpt: *"Now we dedicate this Home for the purpose that God intended. We want God's name to be first and let us all do our part that the Lord can act and do in and through us that which will bring honor, praise and glory to His name."* It is a high calling and a privilege to serve those entrusted to our care! The Lord has most certainly been gracious unto us (Isaiah 33:2).

MEET OUR NEW ACTIVITY ASSISTANTS

Lois Maibach is thankful to be part of our Nursing Home family. She likes pianos, pasta, pen pals, podding peas, pumpkin pie, and pink petunias. Her favorite pastime is enjoying conversation with her husband, Glen, a plumber, and their adult children, Blake, a pilot plant processor, and Joelle, a private school primary teacher. Welcome to our ACH family Lois.

Cheri Klotzle was born in Ohio and lived here until she was fourteen, she then moved to Mesa, AZ with her family. She lived there for ten years, graduated from Mountain View High School and attended Mesa Community College. Each summer she would come back to Ohio to visit and in 1987 she married John Klotzle from Ohio. Cheri lives in Marshallville and they have three children: Anne (Neil Ramseyer), Steve and Julia.

In addition to her new job here at the nursing home, which she says she enjoys, she teaches pre-school two mornings a week, enjoys reading, traveling and spending time with her family. We are happy to welcome you to ACH Cheri.

We want to thank Walt Beery for making the snowman for our courtyard, and to thank Walt and Stan for bringing in the sleigh. It makes such a nice view from the café.

Our residents enjoyed watching the employees and their families build this snowman family on our patio.
